

"Your reliable business partner"

www.ormakcnc.com

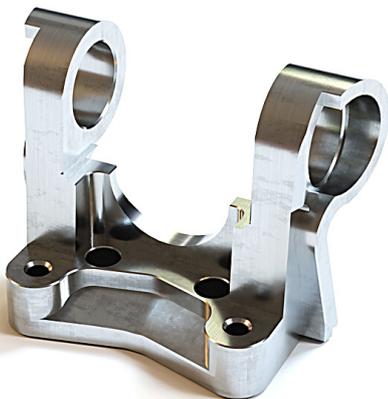

WHO WE ARE

ORMAK was formed in 1998 as a privately owned company which is one of the first companies started to use CNC machine in the industry in Turkey.

We proudly serve in manufacturing engineered parts and components in metals and plastics with 23 years experience.

Our priority is focused on quality and service at competitive prices to our customers be they in the Automotive, Aerospace, Shipbuilding, Machine or any other industry.

Today, we are very happy to being one of the first 1000 metal exporter companies in Turkey.

WHAT WE DO

CNC Turning/ Milling

CNC Machining

Designing

Grinding

Heat Treatment

Surface Treatment

Assembly & finishing

OUR QUALITY POLICY

Operating and adhering to the Quality Management System (QMS) in accordance with ISO 9001:2015 industry best practice, legal and other requirements.

To exceed our customers' expectations in quality, delivery, service and cost through continuous improvement and customer interaction.

To sustain our objectives by continuous education and learning, and the application of new technologies and best business practices.

To provide a pleasant, nurturing and growth orientated work environment which encourages our employees to be highly motivated and to grow personally and professionally.

To maintain a superior level of integrity in interactions with business partners and associates.

Regularly review every aspect of the Quality System to promote a continual improvement culture that benefits the customer and the company.

PLANT LIST

- CNC TURNING Turret Type Takisawa 8"
- CNC TURNING Turret Type Takisawa 8"
- CNC TURNING Turret Type DMC DT-6G 6"
- CNC TURNING Gang Type DMC DL-6G 6"
- CNC MILLING 4 Axis BROTHER S700X1 HighTorque
- CNC MILLING 3 Axis FANUC Robodrill

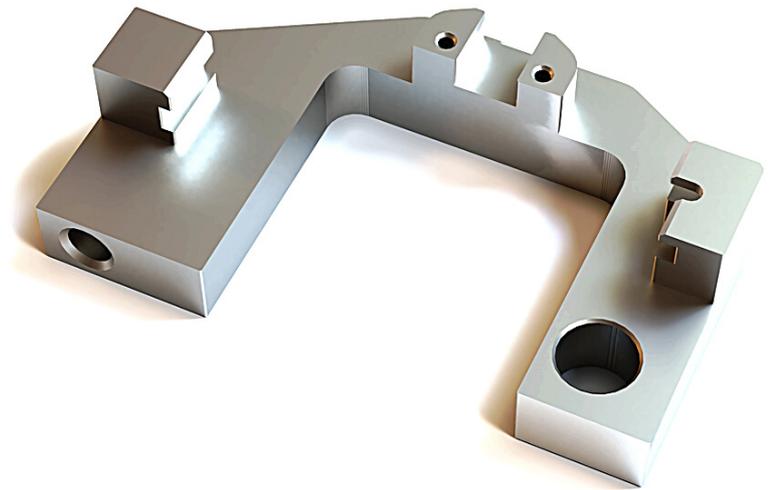

ZERO DEFECT

- CMM (Coordinate Measuring Machine)
- Profile projector
- Mikrosopes
- Digital height caliper
- Surface roughness tester
- Metro displays and measurement devices
- Go / no go gauges
- Digital micrometers
- Coating thickness measuring device

WHY WE ARE YOUR PARTNER

- EXPERIENCED TEAM
- HIGH QUALITY STANDARTS
- LOCATED IN EUROPE
- VERY COMPETITIVE PRICES
- PRODUCT VARIETIES
- SMALL/BIG ORDER QUANTITY
